Request for Limited Single Modular Approval for FCC ID: WSLF321

Please accept our request for Limited Single Modular Approval in accordance with the requirements of 15.212 as described below.

15.212(a)(1) Single modular transmitters must meet the following requirements to obtain a modular transmitter approval for use in the grantee's own Full Automatic Tablet Packer.

(i) This module does not have its own shielding because this is a Limited Modular Approval for use in the grantee's own Full Automatic Tablet Packer. This module will be installed in the grantee's own products that under undergo complete part 15 testing after the module(s) have been installed.

(ii) This module has data buffer. Data input to Modular transmitter is controlled as not generating excessive data speed and abnormal modulation.

(iii) This module is integrated with Power Supply regulator. Regulated 5VDC is supplied to the module by the Full Automatic Tablet Packer.

(iv) This module has a dedicated antenna that is soldered to PCB.

No other antenna except ones that were tested can be used with the equipment and that the end user cannot easily use and unapproved antenna.

(v) This module was tested in a standalone-configuration for radiated emissions, the module was tested with a test jig for conducted emissions. This is a limited modular approval for use in the grantee's own Full Automatic Tablet Packer.

(vi) The TG-F321 will be labeled with "Contains FCC ID: WSLF321"

(vii) This module complies with requirements of part 15.207 for AC power line conducted emissions and part 15.225 for operation in 13.56 MHz frequency band and must only be used with the following antenna that were tested in this filing:

(viii) This module complies with the general population/uncontrolled exposure requirements of 1.1310 for fixed indoor and outdoor applications at a distance of 20 cm or more from the radiating element using antennas that were tested in this filing.

Dated this Feb. **Day of** 27 **20** **09**

Agency agreement expiration date: Usually Give 8 - 12 Months
